HighMark Charter School (HMCS) is located at 2467 E. South Weber Drive in South Weber, UT. Students are highly encouraged to arrive and depart in carpools or guardian vehicles. Parents and students should follow the schools designated Drop Off and Pick Up Procedures to ensure students' safety and the efficiency of traffic flow through the area.

There are no safe pedestrian or bicycle routes for students to travel to and from HighMark Charter School. The school is located in a rural area off of a high-speed roadway.

The area around the school is missing adequate sidewalks and bike lanes for students to safely travel upon. There are currently no sidewalks or crosswalks to connect HighMark Charter School to nearby residential neighborhoods, some of which may contain sidewalks.

HighMark Charter School advises against students walking or biking to and from school, especially during heavy traffic time periods on the roadway. Parents and students of HMCS who decide to walk or bike to and from school should follow the safest route possible using sidewalks, crosswalks, and trails where available. Parents who choose to allow their students to walk or bike to school are encouraged to travel these routes with their children to determine the safest route possible.

Parents who choose to allow their students to walk or bike to and from HMCS will assume responsibility for all risks involved. Travelers should obey all traffic lights, laws, signs, and signals and cross carefully and legally to enter school grounds.

Please contact HighMark Charter School for additional information regarding traveling routes.
